**Planning Committee Member*

New Mexico Health Information Technology Conference and Vendor Fair September 16-17, 2011

WHY YOU SHOULD ATTEND

LEARN how electronic health records (EHRs) can improve your practice and patient care. You'll also hear about: Meaningful Use, CMS incentives, privacy and security, the New Mexico Health Information Collaborative, workforce training programs and EHR financing options.

EARN up to 8.5 CME credits useful to physicians, nurse practitioners, physician assistants, and nurses.

ACCESS EHR vendors and their products. While NM HITREC is not endorsing any EHR systems, we have invited vendors whose products meet NM HITREC's functionality, security, interoperability, and service standards.

RECEIVE instructions to help you reach Meaningful Use and receive federal incentives.

NETWORK with your peers and learn from their experiences.

SCHEDULE AT A GLANCE

Friday 1:00-5:30 pm

- How to Choose an EHR System That's Best for You: Guidance from the REC (1:00-2:00 pm)
- EHR System Demos: Five certified EHR vendors will provide (non-credit) demonstrations using common scenarios for comparison of features (2:00-5:30 pm)

*Friday Exhibit Hall Hours:
1:00 pm to 6:00 pm
Refreshments at 5:30 pm*

Friday 6:00-8:30 pm

- NM HITREC Eligibility and Technical Services
- MUVer Recognition, Kathy Finch, MD
- The Quest for Meaningful Use: One Provider's Story
- Medicare Eligible Provider EHR Incentive Program
- Medicaid EHR Incentive Programs

Saturday 8:30 am-3:30 pm

- Breakfast and Sign in at 8:00 am
- The Status of HIT in New Mexico
- HITECH Workforce Program
- Concurrent Tracks:

A. Concepts Track

- Medicare and Medicaid EHR Incentive Programs
- Privacy and Security
- Meaningful Use

B. Adoption Track

- Getting Down To Cases: Things to Consider When Selecting an EHR
- Practice Readiness and Preparing for Change
- EHR Implementation and Ongoing Management
- NMHIC and Health Information Exchange

*Saturday Exhibit Hall Hours:
8:00 am to 1:45 pm
Continental Breakfast at 8:00 am
Luncheon at 12:20-1:20 pm*

TRAVEL AND LODGING

The Albuquerque International Sunport is located 60 minutes south on I-25. The Santa Fe Municipal Airport has limited service by American Eagle Airlines.

A courtesy room block has been negotiated with the Inn at Santa Fe, located just off I-25 at Cerrillos Rd. exit #278. Rates of \$75 single/double for one queen sized bed or \$85 for a double queen room are being held for our conference participants until September 1, including a full breakfast, manager’s reception, and a courtesy shuttle. Call 1-888-871-7138, 505-474-9500 and request the “NM HITREC” group rate, or book online at www.InnAtSantaFe.com.

REGISTRATION FEES

Your registration fee is defrayed in part by our exhibitors and the federally-funded Regional Extension Center program.

Clinics with ten or fewer Primary Care Providers (FP, Ob/Gyn, Internal Medicine, and Pediatrics) may be eligible for subsidized NM HITREC services. Sign up with the New Mexico Health Information Technology Regional Extension Center (NM HITREC) to get discounted pricing on this conference.

Call (505) 938-9900 for more information or visit www.nmhitrec.org.

	NM HITREC Participants	Other Registrants
Postmarked by 8/27/11	\$15	\$50
Postmarked 8/28/11 through 9/14/11	\$30	\$100
Late/Onsite Registrants <i>(subject to availability)</i>	\$45	\$115

PRESENTED BY

The New Mexico Health Information Technology Regional Extension Center (NM HITREC) is a collaboration of three organizations – LCF Research, the New Mexico Medical Review Association, and the New Mexico Primary Care Association – who are working together to support healthcare providers throughout the state in achieving “meaningful use” of electronic health records (EHRs) to improve patient care.

REGISTRATION FORM

Name with Credentials: (MD, DO, CNP, etc.)
Practice Name:
Job Title:

* Denotes EHR vendor participating in the Friday afternoon demonstrations

WHO SHOULD ATTEND

- Healthcare Practices using paper records that want to convert to Electronic Health Records (EHRs)
- Practices with EHRs that want to better understand Meaningful Use and to ensure that they will qualify for federal incentives
- Healthcare Providers, Office Managers, IT Managers, and other Key Staff interested in Health Information Technology (HIT)

CME CREDITS

Participants may choose from a variety of concurrent credit-designated and non-credit-designated (product demonstration) sessions. This activity may be acceptable for the Nursing and Physicians Assistant CE credit if applicability to practice can be shown. Nurses and Allied Health Professionals are encouraged to attend.

LCF Research is accredited by the New Mexico Medical Society (NMMS) to provide continuing medical education for physicians.

LCF Research designates this live educational activity for a maximum of 8.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

New Mexico Health Information Technology Conference and Vendor Fair

Friday and Saturday, September 16-17, 2011
Santa Fe Community College, Santa Fe, New Mexico

Register now to join representatives from the New Mexico Health Information Technology Regional Extension Center (NM HITREC), the New Mexico Health Information Collaborative (NMHIC), Medicare, and Medicaid to learn more about HIT topics including:

- *EHR Selection and Adoption*
- *Meaningful Use*
- *Medicare and Medicaid Incentives*
- *Health Information Exchange (NMHIC)*

The conference will also include EHR demonstrations and opportunities to earn continuing education credit.
